

# HACKATHON

---

William Phelps

Christopher Newport University/Jefferson Lab

# Team Formation

- Form Teams
  - If you consider yourself an AI expert please consider pairing up with people who could learn from your expertise
  - Come up with a team name and write the team name and write it on the board in the front with the team members

# Dataset Location

- Dataset location:

<https://drive.google.com/file/d/149YPBTwNtsLiH7vHXBtTJY8E6z9ZYJkt/view?usp=sharing>

- Instructions:

<https://docs.google.com/document/d/1bWb02KpEuBu2HMRZ-O95yU5An40CtmlI0Sxe8aGSYdk/edit?usp=sharing>

- Scoreboard: Coming soon!

# Data

- Test - w/Labels
- Train - w/Labels
- Judging Dataset – No Labels

# How am I being scored?

- You will predict the labels for the judging dataset and send an email with that as the attachment to

# How do I submit

- Send an email to [cnugshackathon@gmail.com](mailto:cnugshackathon@gmail.com) with your dataset
