Collaboration Charter and Organizational Matters

Motivation

A more modern leadership organization

Implement updates of the by-laws to ensure continuity and stability in the collaboration leadership.

Possible options for CLAS and/or WG Spokesperson:

- chair-elect/chair structure
- chair/vice-chair arrangement
- two co-chairs
- three vs two years mandate
- additional standing members of the CCC
- other ideas

The response

The CCC is forming an ad hoc committee to propose changes to the Charter

- Members: S. Niccolai, D. Carman and M. Battaglieri
- The proposal will be presented at the next collaboration meeting and voted on during the Summer collaboration meeting, as per the Charter rules
- The committee should take input from today's discussion and consult with collaboration members in whatever ways they see fit

Goal Find ways to deal with a wide variety of situations that may arise in the future
