

# 7th Workshop of the APS Topical Group on Hadronic Physics

## Wednesday, February 1, 2017

### Recent Breakthrough in LQCD Structure Calculations - Coolidge (4:00 PM - 5:35 PM)

-Conveners: Huey-Wen Lin

time	[id] title	presenter
4:00 PM	[34] Recent Breakthrough in LQCD Structure Calculations	Dr YANG, Yibo
4:25 PM	[32] Gluonic Transversity from Lattice QCD	Dr SHANAHAN, Phiala
4:50 PM	[43] The hadronic light-by-light contribution to muon $a_\mu$ from lattice QCD	Dr JIN, Luchang
5:15 PM	[73] Nucleon matrix elements from Moments of Correlation Functions and the Proton Charge Radius	Dr RICHARDS, David
