

# 7th Workshop of the APS Topical Group on Hadronic Physics

## Thursday, February 2, 2017

**HI: Onia II - Wilson C (11:00 AM - 12:10 PM)**

-Conveners: Enrico Scomparin

| time     | [id] title   | presenter             |
|----------|--|-----------------------|
| 11:00 AM | [39] Quarkonium production in proton-nucleus collisions at collider energies   | WATANABE, Kazuhiro    |
| 11:25 AM | [23] Diffractive vector meson production and initial state fluctuations in DIS | Dr MÄNTYSAARI, Heikki |
| 11:50 AM | [1] Polarized Heavy Quarkonia Production in the Color Evaporation Model        | Mr CHEUNG, Vincent    |
