

7th Workshop of the APS Topical Group on Hadronic Physics

Thursday, February 2, 2017

SCET and TMDs - Harding (4:00 PM - 5:40 PM)

-Conveners: Alexei Prokudin

time	[id] title	presenter
4:00 PM	[42] Precision Prediction for Higgs Production at Small Transverse Momentum	Dr ZHU, HuaXing
4:25 PM	[41] Inclusive jets and their substructure within SCET	Dr RINGER, Felix
4:50 PM	[66] Transverse Momentum Dependent Fragmenting Jet Functions with Applications to Quarkonium Production	MEHEN, Thomas
5:15 PM	[38] Transverse momentum spectra at the LHC	Dr VAIDYA, Varun
