Committee

[edit]

The role of the CLAS Speakers Committee (CSC) is to supervise and promote the accurate and broad dissemination of results to the scientific community by talks from members of the CLAS Collaboration.

The CSC is appointed by the CLAS Coordinating Committee for this purpose. The organization and responsibilities of the CSC are described in details in the [CLAS bylaws](#).

Each CLAS collaborator willing to give a talk at any scientific events MUST follow the standard procedure described on the [Procedures/Forms](#) tab to contribute in accomplishing CSC duties and achieving the mentioned goals.

You can navigate through this page by clicking on the tabs above.

NB: Outdated CSC wiki-page can be accessed in this [aged_link](#).

How are we doing ?

2. **Database of topics and speakers – improved contacts with PWG chairs**
3. **Bi-weekly meetings: Tuesdays** **continuous activity over the year**
4. **Promote speakers invitation** of collaborators
 - ✓ **List of conferences** to contact to promote speakers invitation
 - ✓ **Send letters to conference organizers** including suggested topics for talks
 - ✓ **Find the appropriate CLAS speaker** for the invited talks

12 Conference contacted since February

6 replied

7 Invited speakers
5. **CSC meeting not overlapping with membership committee**
6. **Contacting the conferences at earlier stages to promote CLAS invited talks** **CLAS IAC members could be of help**

How can you help us?

Encountered problems that are improving

- ✓ High fraction of talks are not notified **30% in 2015 – 25% in 2016**
- ✓ Unprofessional response to solicitations by some speakers – **Few in the last six months**

In brief, **IF YOU WANT TO GIVE A PRESENTATION, YOU SHOULD FOLLOW A DIFFERENT PROCEDURE DEPENDING ON THE TYPE OF THE TALK/PRESENTATION** (invited, contributed or poster) and the designated event type (workshop/conference, colloquium or seminar):

- If you want to give a **CONTRIBUTED** talk, university **COLLOQUIUM/SEMINAR**, or present a **POSTER** you should **NOTIFY** the CSC PRIOR the event's date,
- If you want to give a **CLAS SPECIFIC INVITED** talk you should ask the **APPROVAL** of the CSC before accepting the invitation, if this was already made, or soliciting the invitation,
- If you have been invited to give a **GENERAL/OVERVIEW** talk in which less than 50% of slides will be CLAS related, you don't need the APPROVAL but you should still **NOTIFY** the CSC.

THE NOTIFICATION OR APPROVAL REQUEST CAN BE MADE BY FILLING AND SUBMITTING FORMS AVAILABLE IN THE SHIFTBOT INTERFACE: REMEMBER TO LOGIN!

For any clarification on the procedure and/or assistance on submitting requests, contact the **CSC secretary**.

In **ALL** cases the results that will be shown in the **talk/poster** should be **approved/reviewed** by the relevant Physics Working Group.

Any required talk's proceedings must be reviewed and approved by the CSC before being submitted to the conference/workshop organizers. For this purpose, you should send the written proceedings to the CSC secretariat at least one week before the submission deadline.

If you are a **CLAS** member and you present **as little as** 1 or 2 slides on CLAS data
YOU HAVE TO NOTIFY YOUR TALK
