

# 2nd Workshop on The Proton Mass; At the Heart of Most Visible Matter

## Monday, April 3, 2017

### Introductory session - Conference room (9:30 AM - 11:00 AM)

-Conveners: Marc Vanderhaeghen

time	[id] title	presenter
9:30 AM	[49] How to test the mass decomposition	Dr QIU, Jianwei
10:15 AM	[50] Impacts of dynamical chiral symmetry breaking on hadron masses	Dr CLÖET, Ian

### Introductory session: Introductory session - Conference room (11:20 AM - 1:00 PM)

-Conveners: Marc Vanderhaeghen

time	[id] title	presenter
11:20 AM	[51] The composition of the proton mass from light-front holography and superconformal algebra	Dr BRODSKY, Stanley
12:05 PM	[52] Superconformal and supersymmetric constraints on hadron masses in light-front holographic QCD	Prof. DE TERAMOND, Guy
12:50 PM	[53] Discussion
