

2nd Workshop on The Proton Mass; At the Heart of Most Visible Matter

Tuesday, April 4, 2017

Hadron mass decomposition - Conference room (9:00 AM - 10:30 AM)

-Conveners: Barbara Pasquini

time	[id] title	presenter
9:00 AM	[11] Longitudinal and transverse spin-orbit correlations	Prof. LORCÉ, Cédric
9:45 AM	[12] Quark's angular momentum densities in position space	Dr MANTOVANI, Luca

Hadron mass decomposition - Conference room (11:00 AM - 1:00 PM)

-Conveners: Barbara Pasquini

time	[id] title	presenter
11:00 AM	[14] Proton without confinement	Prof. FACCIOLI, Pietro
11:45 AM	[13] Hadron charges and currents, and the contribution of excited states	Dr RICHARDS, David
12:30 PM	[15] Discussion
