

# CLAS Membership Committee March 2018

-> 38 Institutes  
-> 183 CLAS Members (F&T)

## VOTE: Charter Change

Since the October 2017 Collaboration Meeting a proposed change to the CLAS Charter regarding the role of the Membership Committee with respect to Limited Membership has been discussed within the Coordinating Committee.

## Presently:

- Limited membership requires approval by the CCC
- Membership Committee involved only in bookkeeping
- Membership Committee approves Term membership and endorses Full membership (requires a formal vote of current Full members) along with continued monitoring of T and F member status

## Proposal:

- Require the Membership Committee to monitor the status and activities of Limited members by requesting periodic updates from the sponsor (spokesperson or proposal or CAA)

The decision to approve or deny this change requires a vote of Full Collaboration Members

Details of the wording change can be found here

- [Proposed modification](#)

Approved (90%)  
Effective immediately. Document to be updated

# Shiftbot

Change of shift status can only be made by shiftbot in consultation with PDL

Don't split shifts without PDL approval -> interface change

Make best attempt not to assign back-to-back shift blocks

Check time of your shift
