

8th Workshop of the APS Topical Group on Hadronic Physics

Friday, April 12, 2019

JPAC: I - Director's Row H (8:30 AM - 10:10 AM)

-Conveners: Bill Briscoe

time	[id] title	presenter
8:30 AM	[15] JPAC Overview	Prof. SZCZEPANIAK, Adam
8:55 AM	[42] Progress in analysis of single and double meson photoproduction	Dr MATHIEU, Vincent
9:20 AM	[11] Towards an Analytical Description of Three Particle Scattering	Mr JACKURA, Andrew
9:45 AM	[29] Towards a combined analysis of inclusive/exclusive electroproduction	Dr HILLER BLIN, Astrid

JPAC: II - Director's Row E (10:30 AM - 12:00 PM)

-Conveners: Adam Szczepaniak

time	[id] title	presenter
10:30 AM	[13] New determination of the lightest hybrid meson candidate	Mr RODAS, Arkaitz
11:00 AM	[14] Analysis of three body decays	Dr ALBALADEJO, Miguel
11:30 AM	[30] Dispersive KT Equations for Three-Body Decays of Mesons with Higher Mass or Spin	Mr WINNEY, Daniel
