

8th Workshop of the APS Topical Group on Hadronic Physics

Friday 12 April 2019

Small Systems - Director's Row J (08:30-10:10)

-Conveners: Anne Sickles

time	[id] title	presenter
08:30	[97] On the smallest droplets of QCD fluids	ROMATSCHKE, Paul
08:55	[12] Progress in hard probes of small collision systems	Prof. PEREPELITSA, Dennis
09:20	[101] Some Recent Theoretical Developments in Small Systems	Dr SIEVERT, Matthew
09:45	[66] Measurement of long-range correlations in Z-boson tagged pp collisions	Dr MOHAPATRA, Soumya
