### Hadron Spectroscopy Working Group - II

**Session** | **Location:** Jefferson Lab, L102 | **Convener:** Dr Marco Battaglieri

10:30 - 10:55 AM

#### Measurement of the G Double-Polarisation Observable in Positive Pion Photoproduction

**Speaker**

Dr Nicholas Zachariou

10:55 - 11:20 AM

#### The eta cross section and further publication plans for CLAS-g12 cross section measurements

**Speaker**

Tianqi Hu

11:20 - 11:45 AM

#### The polarization observables P, C(x), and C(z) for the reaction $K(0)\Sigma(+)$ using CLAS-g12 data

**Speaker**

Frank Gonzalez

11:45 AM - 12:15 PM

#### HSWG Analysis reviews

**Speaker**

Dr Marco Battaglieri
