

CLAS Collaboration Meeting

Kyungseon JOO
for the CLAS Collaboration

April 28-29, 2020

APRIL COLLABORATION MEETING

- April meeting consists of two half-days of remote-only presentations.
 - Run group update (RG-F)
 - CLAS12 task force presentations
 - ✓ Forward tracking
 - ✓ Central tracking
 - ✓ Detector efficiency and Background Merging
 - Three Physics Working Group (PWG) joint sessions
 - CLAS12 first publications
 - CLAS12 PAC Proposal update

Data Processing

- RG-A fall 2018 data cooking of the inbending torus polarity portion of the run was successfully completed.
- RG-A pass-1 review for the outbending portion of the fall 2018 dataset was completed, and RG-A fall 2018 outbending run data processing is underway.
- The RG-B pass-1 review for the cooking of the spring 2019 dataset is scheduled for May 8.
- The RG-K pass-1 review for the cooking of the fall 2018 dataset is scheduled for May 15.
- RG-B spring 2019 and RG-K fall 2018 data processing order will be determined shortly.
- Pass-1 Readiness Review Committee:
S. Stepanyan (Chair), N. Baltzell, L.C. Smith, M. Mirazita, L. Weinstein.

Internal Reviews of PAC48 Proposals

- Abstracts for all new proposals due to CLAS chair: May 11, 2020
- Full proposal due to CLAS reviewers: May 25, 2020
- First response by review committee: June 1, 2020
- Revised proposal due to reviewers: June 8, 2020
- Final committee recommendation: June 15, 2020
- Proposal submission due to PAC48: June 22, 2020

Internal Reviews of Run Group Jeopardy Updates

- Jeopardy Review Committee:
 David Ireland (Chair), Zein-Eddine Meziani and Charles Hyde
- 4/22/2020: Committee members start to communicate with run-group leaders.
- 5/25/2020: Run-group leaders send their initial draft due to Chair of jeopardy review committee.
- 6/1/2020: First round recommendations sent to run group-leaders
- 6/8/2020: Revised documents sent to Chair of jeopardy review committee
- 6/15/2020: Final recommendations sent to run group-leaders
- 6/22/2020: Submit jeopardy updates due to PAC48

Internal Reviews of Run Group Jeopardy Updates (8 Run Groups)

- RG-A: C. Hyde (reviewer), L. Elouadrhiri (contact)
- RG-B: D. Ireland (reviewer), S. Niccolai (contact)
- RG-C: C. Hyde (reviewer), S. Kuhn (contact)
- RG-D: Z.E. Meziani (reviewer), L. El Fassi (contact)
- RG-E: Z.E. Meziani (reviewer), W. Brooks (contact)
- RG-G: Z.E. Meziani (reviewer), W. Brooks (contact)
- RG-H: D. Ireland (reviewer), M. Contalbrigo (contact)
- RG-K: D. Ireland (reviewer), A. D'Angelo (contact)

RG-A First Publication Review

- 1st-level common analysis note prepared by run-group.
 - Review committee: [Yordanka Ilieva \(Chair\)](#), [Cole Smith](#), [Sebastian Kuhn](#), [Marco Mirazita](#).
- 2nd-level analysis note for each paper
 - Each paper will prepare a 2nd-level analysis note on top of 1st-level analysis note. This will be reviewed within a physics working group (PWG).
- Ad-hoc review

Next Collaboration Meeting

Send us a feedback about future collaboration meetings such as frequency, format, etc.

Summary

We are all facing a difficult time. Let's work together as one collaboration and support each other.

Tuesday, April 28, 2020
