

9th Workshop of the APS Topical Group on Hadronic Physics

Friday, April 16, 2021

Plenary Session 4 (11:00 AM - 1:00 PM)

-Conveners: Dave Gaskell

time	[id] title	presenter
11:00 AM	[190] Gluon TMD studies using heavy quark production processes	BOER, Daniël
11:30 AM	[263] Exploring the proton structure with Compton scattering	PASQUINI, Barbara
12:00 PM	[236] Exploring Hadrons through the Microscope of Lattice QCD	RICHARDS, David
12:30 PM	[183] A High Precision Measurement of the Proton Charge Radius at JLab	Dr XIONG, Weizhi
