Fragmentation Functions (3:30 PM - 5:30 PM)

-Conveners: Sookhyun Lee

time	[id] title	presenter
3:30 PM	[235] Accessing Helicity-Dependent Fragmentation with SIDIS Dihadron Beam Spin Asymmetries at CLAS12	DILKS, Christopher
3:50 PM	[173] Transverse Lambda polarization in electron-positron collisions	GAMBERG, Leonard
4:10 PM	[165] Simultaneous Monte Carlo analysis of parton densities and fragmentation functions	MOFFAT, Eric
4:30 PM	[140] Hadronization Studies in Z-tagged Jets at LHCb	MATTIOLI, Kara
4:50 PM	[142] Jet-based measurement of Sivers and Collins asymmetries at the EIC	ARRATIA, Miguel
5:10 PM	Coffee/Discussion
