Session Program

Apr 13 – 16, 2021

9th Workshop of the APS Topical Group on Hadronic Physics

Hadronic Interactions II

Fri, April 16

1:30 PM

Hadronic Interactions II

Session | **Convener:** Amy Nicholson

1:30 – 1:50 PM **Exotic hadron searches in photoproduction**

Speaker
Astrid Hiller Blin

1:50 – 2:10 PM **Three-pion scattering from lattice QCD**

Speaker
Maxwell Hansen

2:10 – 2:30 PM **Integral equations for relativistic three-hadron scattering**

Speaker
Andrew Jackura

2:30 – 2:50 PM **Three-body interactions from the finite-volume QCD spectrum**

Speaker
Ruairí Brett

2:50 – 3:10 PM **Long-range processes in QCD**

Speaker
Raul Briceno

3:10 – 3:30 PM **Coffee/Discussion**

3:30 PM
