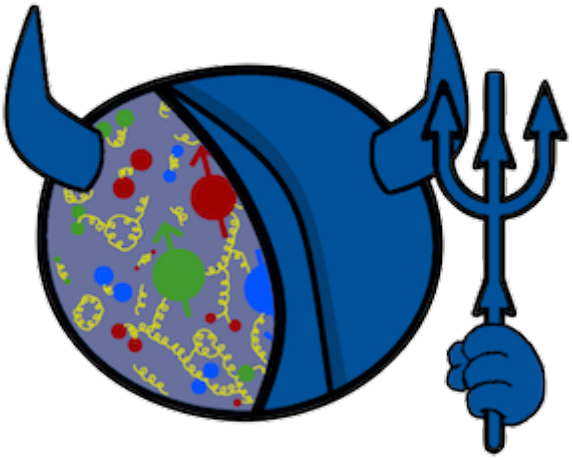
Session Program

Sep 24 – 29, 2023



25th International Spin Symposium (SPIN 2023)

Joint Helicity/Future

Durham Convention Center

Mon, September 25

4:00 PM

Joint Helicity/Future: Joint Helicity/Future I

Session | **Location:** Durham Convention Center, Junior Ballroom D1-D2 | **Convener:** Patrizia ROSSI

4:00 – 4:30 PM **Proton Spin at EIC**

Speaker
Maria Zurek

4:30 – 5:00 PM

Exploring Quark Helicity Distributions with a 22 GeV Beam at Jefferson Lab

Speaker
Cameron Cotton

5:00 – 5:30 PM **Spectator tagging with polarized deuteron at EIC**

Speaker
Christian Weiss

5:30 PM
