Group on Hadronic Physics of APS

- Dedicated to the advancement and dissemination of knowledge related to QCD and hadron physics
- Effectiveness of this advocacy and its impact is strongly associated with the number of GHP members
- The Unit membership determines:
 - Number APS Fellows the GHP can nominate is currently 2 (250 members -> 1 APS Fellow/year)
 - Number of GHP invited sessions at APS April Meeting (currently 2)

GHP membership directly supports:

GHP Meeting, GHP sessions at APS April Meeting, APS Fellows, Dissertation award

GHP helps reward and highlight the world-class research in our field

Please consider joining the GHP – \$10/yr with APS membership
