

# Hypernuclear Physics Workshop 2023

## Friday, March 3, 2023

### AM: Hypernuclear Research at JLab and Other Facilities - F324/325 (8:50 AM - 10:40 AM)

-Conveners: J Reinhold

time	[id] title	presenter
8:50 AM	[1] Opening	REINHOLD, J
9:00 AM	[2] Strangeness nuclear physics in the world and significance of research project at JLab	NAKAMURA, S.N.
9:40 AM	[3] Hypernuclear physics history and some results (JLab Hall C)	TANG, L
10:00 AM	[4] Hypernuclear physics history and some results (JLab Hall A)	URCIUOLI, G
10:20 AM	[5] Challenge to investigate the baryon interaction of multi-strangeness sector at J-PARC	GOGAMI, T
