

CLAS COLLABORATION INTRODUCTION

William Phelps

Christopher Newport University/Jefferson Lab

New JLab policies

- You must wear your JLab badge at all times
 - Unless you cannot do it safely*
- ESC001 is now required for nearly everyone
 - Even for plugging in LEMO connectors

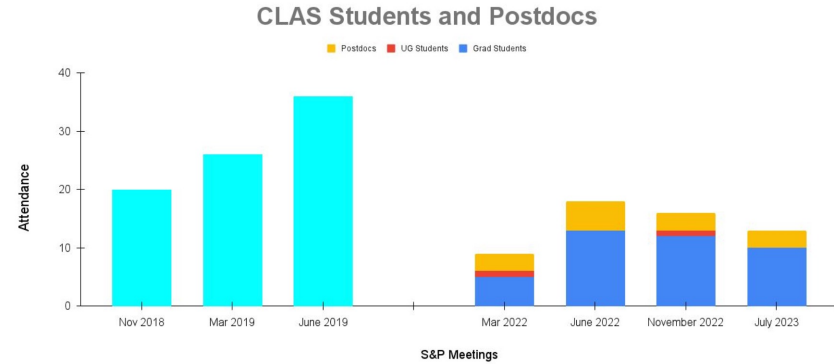

Collaboration Photo Today!

- At 12:15pm we will meet in the atrium/lobby for a group photo!

Postdocs/Students

- Today at 12:30 in LI02 there is a student/postdoc lunch. Pizza is provided
 - All postdocs/students are encouraged to attend
- This session will be hosted by the postdoc/student chair Richard Tyson
 - Today they will be discussing the survey results among other topics

Thursday Trivia Event

- Thursday at 5:30pm
- From Richard's Slides:
 - 5 rounds of 5 questions, with one picture round.
 - Questions on JLab, Hall B, member institutes and physics in pop culture.
 - Most likely people will go for dinner afterwards.
- Everyone is welcome to attend

PAC 52 - Reminder

PAC 52: Week of July 8th, 2024

- Abstracts for new proposals due today!
 - Please send to me (wphelps@jlab.org) and your physics working group chair
- The full proposal must be sent to the review committee by April 1st, 2024.
- The review committee will provide their final recommendations by April 22nd, 2024.
- Proposal submission on May 1st, 2024 (at 9am EST).
- Jeopardy Proposals must be sent to the review committee by April 8th, 2024

Meeting Overview

- Talks by Hall-B and JLab management, High Performance Data Facility, update from CEBAF, and a talk on the WG sessions with analysis and Run Group updates.
- Thursday: Update from the Lab and an AI Session with an external speaker from the Data Science group
- Plenary talks with updates on EG-4 Long Paper, RG-K, First Measurement of nDVCS
- PAC52 Talks on Friday

Enjoy the meeting!
