

6th Workshop of the APS Topical Group on Hadronic Physics

Wednesday, April 8, 2015

Electron Scattering 1 - Peale C (4:00 PM - 5:30 PM)

-Conveners: Guy Ron

time	[id]	title	presenter
4:00 PM	[M0]	Towards a resolution of the proton form factor problem: new electron and positron scattering data	ADIKARAM, Dasuni
4:30 PM	[M0]	On the reaction mechanism of the Wide Angle Compton Scattering from the proton	WOJTSEKHOWSKI, Bogdan
4:50 PM	[M7]	Status of the OLYMPUS Experiment	Ms ICE, Lauren
5:10 PM	[M1]	An Independent Spectroscopic Data Analysis of the Proton Size Puzzle	Prof. RALSTON, John
