

6th Workshop of the APS Topical Group on Hadronic Physics

Friday, April 10, 2015

Hadron Spectroscopy and Decays - Johnson room (2:00 PM - 3:40 PM)

-Conveners: Gunnar Bali

time	[id]	title	presenter
2:00 PM	[48]	Coupled-channel scattering from lattice QCD	Dr WILSON, David
2:20 PM	[10]	Light Meson Decays from Photon-Induced Reactions with CLAS	Dr KUNKEL, Michael
2:50 PM	[10]	Physics Opportunities with Meson Beams	Prof. STRAKOVSKY, Igor
3:10 PM	[46]	Excited state energies and scattering phase shifts from lattice QCD with the stochastic LapH method	HANLON, Andrew FALLICA, Jake
