

# CLAS COLLABORATION INTRODUCTION

---

William Phelps

Christopher Newport University/Jefferson Lab

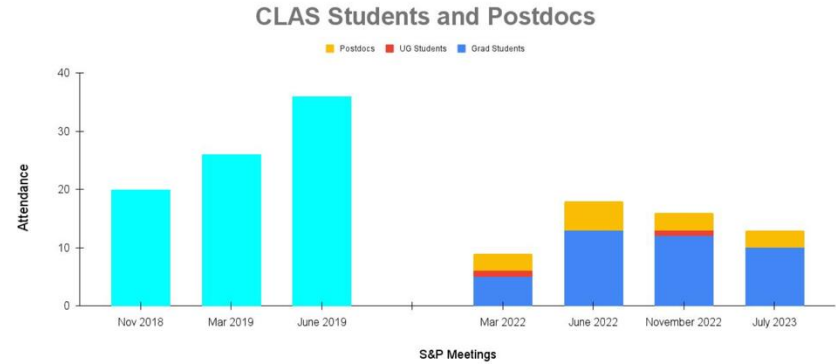

# Collaboration Photo Today!

- At ~12:40pm we will meet in the atrium/lobby for a group photo!

# Postdocs/Students

- Today at 12:30 in LI02 there is a student/postdoc lunch. Pizza is provided
  - All postdocs/students are encouraged to attend
- This session will be hosted by the postdoc/student chair Richard Tyson
  - Today they will be discussing the survey results among other topics

# Wednesday Trivia Event

- Wednesday at 5:00pm
- From Richard's Slides:
  - Questions on JLab, Hall B, member institutes and physics in pop culture.
  - Most likely people will go for dinner afterwards at the Mexican restaurant near Tradition.
- Hosted by Student/Postdoc group but everyone is welcome to attend!

# Meeting Overview

- Talks by Hall-B and JLab management, update from CEBAF, Update on and a talk on the WG sessions with analysis and Run Group updates.
- Plenary talks with updates on PAC Letters of Intent, Jlab Future Upgrades, High Luminosity CLAS12 Updates

# Announcements
