

## **Session Program**

**Oct 12 - 16, 2025**

# **Low-Level Radio Frequency (LLRF) Workshop 2025**

## ***Tutorial***

Newport News Marriott at City Center  
740 Town Center Drive, Newport News, Virginia 23606

## Mon, October 13

1:20 PM

2:10 PM

### **Tutorial: Cavity Low-Level RF in Hadron Machines**

**Session** |

**Location:** Newport News Marriott at City Center, 740 Town Center Drive, Newport News, Virginia 23606 |

**Convener:** Dr Themis Mastoridis

## Tue, October 14

1:20 PM

2:10 PM

### **Tutorial: Amplifier Additive Phase Modulation Noise Characterization and Testing & Theoretical Discussion of White and Flicker Noise Processes in Small and Large Signal Regions of Operation**

**Session** |

**Location:** Newport News Marriott at City Center, 740 Town Center Drive, Newport News, Virginia 23606 |

**Convener:** Joseph Merenda

## Wed, October 15

1:20 PM

2:10 PM

### **Tutorial: Electromagnetic Compatibility. Does it matter when everything is digital anyway?**

**Session** |

**Location:** Newport News Marriott at City Center, 740 Town Center Drive, Newport News, Virginia 23606 |

**Convener:** Daniel Valuch
