10:30 AM

Hypernuclear: Hypernuclear

Session | Location: CEBAF CENTER AUDITORIUM (Thomas Jefferson National Accelerator Facility) | Convener: Garth Huber

10:30 - 11:00

Electro-production of hypernuclear spectroscopy with high precision in wide mass range

Speaker

Prof. Toshiyuki Gogami

11:00 - 11:30

High precision study of wide variety of light hypernuclei via decay pion spectroscopy

Speaker

Sho Nagao

11:30 - 12:00 GEp-V Status

Speaker

Donald Jones

12:00 PM
