

Session Program

Jun 24 - 26, 2025

2025 JLUO Annual Meeting

Short Range Correlations and Nuclear Effects

Jefferson Lab, CC AUD

Tue, June 24

10:45 AM

Short Range Correlations and Nuclear Effects

Session | Location: Jefferson Lab, CC AUD

10:45 - 11:10 Experimental investigations of short-range correlations

Speaker
Nathaly Santiesteban

11:10 - 11:35 Theoretical advancements in the study of short-range correlations

Speaker
Ronen Weiss

11:35 - 12:00 3N SRC: an overview of the searches and future prospects

Speaker
Burcu Duran

12:00 - 12:25 Study of short-range correlations with exotic beams

Speaker
Julian Kahlbow

12:25 PM
