11:10 AM

N* Physics

Session | **Location:** Jefferson Lab, CC AUD

11:10 - 11:35

Advances in studies of N* electroexcitations and insight into strong QCD

Speaker

Victor Mokeev

11:35 - 12:00

N* studies with CLAS12 from inclusive to KY electroproduction

Speaker

Daniel Carman

12:00 - 12:25

Electro-excitation Form Factors of Nucleon Resonances in Continuum QCD

Speaker

Adnan Bashir

12:25 PM
