Term Membership Transition Reviews

- 9 new Term members, 7 PhD students and 2 PostDocs – this is also great
- There is an enthusiasm, but we need to work to retain and expand

Committee Business

- The Membership Committee is the body consisting of **ALL** Institute Representatives (IR decided locally)
- After 9 years as chair of this committee, it is time to find a replacement
- The chair is one of these Institute Reps and is selected by fellow committee members
- I will send an email to the IRs soliciting nominations
 - A vote will be held if necessary
- Important position which gives an invaluable insight into the collaboration institutes and members, and the issues (good and bad) which they face
