## Surveys

Survey	Available from	Deadline	
<a href="#">Do you prefer the new virtual only format for the Winter meeting?</a>	26 Jan 2026, 07:24	27 Jan 2026, 04:59	Fill out

**The next AI4HallC meeting is on Friday, Feb 6 at 3:00 PM**

**Some of the envisioned topics are HYDRA in Hall C and AI4SRO at NPS.  
We are trying to set up an event in the Hall C DocDB similar to what  
Stephen Kay did for the Analysis meetings.**

**— Tanja Horn**

**DocDB link for the meeting**

**<https://hallcweb.jlab.org/doc-private/DisplayMeeting?conferenceid=47>**

**Look out for emails with further details**

# **The changes to the charter were voted in, and the charter has been updated.**

**The current version lives on the Hall C Docdb and can be accessed at**

**<https://hallcweb.jlab.org/doc-private/ShowDocument?docid=1233>**

## Updated paragraph

The User Board (UB) consists of six members elected for a period of (3) three years in staggered terms. The election will be conducted by email: a reasonable number of candidates will be proposed by the UB, and members may vote for their favorite candidates. The election will be held in such a format that users may vote for up to two candidates. Users may elect to only cast a vote in favour of one candidate or none at all should they choose to do so. The UB shall have two new individuals elected annually by the members of the Organization as Board Members, to replace Board Members who retire from office at the time of such election. Any member of the user organization can nominate candidates. Members that agree to be nominated and run for election will be asked to provide a brief candidate statement.
